

Sürdürülebilir Gelecek için ÇEVRE EĞİTİMİ KONGRESİ

“Uluslararası Katılımlı”

10 - 12 Şubat 2025, Antalya

There is no preferred style or format for abstract submission. The abstracts will be submitted by using the step-by-step template of the abstract submission system. To submit your abstract, you must first register to the system with your e-mail address and then log in to the system.

Submitted abstract must not have been published anywhere before and should not be entered into the evaluation process for publication elsewhere. The scientific responsibility of the extended abstract belongs to the author(s).

The information required to submit your abstract is provided below including character limitations.

Abstract Title: Maximum 120 characters including spaces

Author Name1, Author Name2, initials then surnames, add as many as you need.

Institution1* This is the first author's address.

Institution2** This is the second author's address, add as many institutions as you need.

Abstract: A short clear description of the main facts or ideas of your paper. This summary should not exceed 600 characters including spaces.

Keywords: Four keywords separated by (,) comma. Maximum 100 characters total including spaces.

Main Body: The main body must be between 3000- and 5600-characters including spaces. The main body must include introduction, materials and methods, results & discussion, and conclusion sections. The sections are not required to be named separately. In the introduction section, the purpose/aim of the study should be explained clearly.

In the materials and methods section, the design/methodology/approach of the study carried out should be explained. The units and dimensions should be expressed according to the metric system and SI units when applicable.

In the results & discussion section, the findings of the study should be summarized in an understandable way.

In the conclusion section, the main conclusions of the research should be explained by giving a clear explanation of their importance and relevance.

Tables: Maximum two tables

Figures: Maximum two figures (jpg, png or gif formats)

References: The references should be arranged alphabetically. Maximum 1500 characters total including spaces. Example reference styles are provided below.
